

» How to Dispose of Items Under the Home Appliance Recycling Law

The following four items are to be recycled in accordance with the Home Appliance Recycling Law. Follow one of the methods listed below to properly dispose of these items.

Estimated Recycling Fees for Each Item

Televisions CRT / LCD / Plasma	Washing Machine Dryer	Refrigerator / Freezer	Air Conditioner
15 inch or smaller ... 1,870 yen 16 inch or larger ... 2,970 yen	2,530 yen	170 L or less...3,740 yen 171 L or more...4,730 yen	990 yen

● Televisions

● Washing Machine / Dryer

● Refrigerator / Freezer

● Air Conditioner

Fees listed here are for major electronics manufacturers as of July 2020. These fees are subject to change depending on the manufacturer. Please inquire with the Kaden Recycle-Ken Center.

Kaden Recycle-Ken Center

 **0120-319640** (JPN only) FAX 03-3903-7551

Hours: 9:00 - 18:00 (closed: Sundays and holidays)

Website: <https://www.rkc.aeha.or.jp/>

Disposal Method 1

Make a disposal request to the store where you purchased the item, or to a store where you will buy a new item to replace it.

Costs: Recycling fee + collection/transport fee (Contact the store directly for fee information)

Disposal Method 2

Bring the items to the designated site yourself.

Costs: Recycling fee + bank transfer fee

Step 1 Pay the recycling fee at a post office after confirming the size and manufacturer of the appliance.

Step 2 Bring the appliance to the designated site (see map on the right) with the slip you received when paying at the post office (*yūbin funikae haraikomi uketsuke shōmeisho*) and your *recycle-ken*.

Designated Collection Site

Hikami Co., Ltd.
Izumo-shi Chiimiya-chō 7-1
☎ 0853-22-1322

Disposal Method 3

Ask a nearby electronics store to take the items.
Contact the store directly to see if they are able to accept the items.

Costs: Recycling fee + collection/transport fee (Contact the store directly for fee information)

Disposal Method 4

Make a request to a business that offers Household Appliance Recycling (see p. 39)

Costs: Inquire directly with the business

» Disposal of Computers

Household computers are recycled based on their manufacturers, in accordance with the Law on the Effective Utilization of Resources. Follow one of the methods listed below to properly dispose of these items.

Accepted Items

● Laptop

● Desktop Computer (tower)

● CRT Monitor or CRT All-in-One Computer

● LCD Monitor or LCD All-in-One Computer

Who to Contact

Pre-built computers

Apply with the manufacturer.
*Check with the PC3R Promotion Association for manufacturers' contact information.

- Custom-built computers
- Computers from defunct manufacturers
- Computers purchased outside of Japan

Apply with the PC3R Promotion Association.

Contact Information

PC3R Promotion Association
☎03-5282-7685 (JPN only)

Hours

9:00 - 12:00 and 13:00 - 17:00
(Closed on weekends, public holidays, and New Year's Holidays)

Website

<https://www.pc3r.jp/>

Check the website for disposal methods and details for where to return computers from the main manufacturers.

After Applying

1. You will be sent a Yu-Pack label from the manufacturer or the PC3R Promotion Association.
(Depending on the computer model, you may need to pay a recycling fee.)
2. Pack the computer for mailing, and attach the Yu-Pack label to it.
3. Bring the computer to a post office and send it.

PC Recycle Mark

All computers sold as of October 2003 are printed with a PC Recycle Mark (left), which shows that recycle fees were paid at the time of purchase. For computers sold prior to October 2003, recycle fees will need to be paid at the time of disposal.

Illegal Dumping is a Crime!

Unlawful disposal of waste on roadsides, empty lots, in the mountains, and in forests is a crime. Bringing waste somewhere other than a designated collection site without permission is also a crime. Please dispose of your waste properly in order to keep our city clean and beautiful.

Penalties for Illegal Dumping

In accordance with laws concerning waste disposal and sanitation, individuals who attempt or carry out illegal dumping will be subject to up to five years of prison time, a fine of up to 10 million yen, or both. Corporations and other such groups will be subject to a fine of up to 300 million yen.
